Printed on 30% recycled post consumer paper

The Tree Steward Program is designed for tree board members, municipal employees, volunteers, students, Master Gardeners, and anyone that has an interest in learning more about trees and giving back to their community forest.

All of the topics are presented by City Foresters, Certified Arborists, Foresters, Purdue Extension Agents, District Conservationists, and other natural resource professionals.

Participants will gain knowledge on a variety of topics relating to community forestry. Participants receive a binder full of tree care information and a reusable canvas bag at the program. Tree Stewards who complete 15 hours of volunteer service will receive a signed certificate from the state forester and a Tree Steward pin.
